### Section 3. Terms and Provisions of the Bonds.

(a) Generally. The Bonds (i) shall be issued in the form set forth as an exhibit to the Bond Purchase and Loan Agreement, and may be issued in more than one series as set forth in the Certificate of Award; (ii) shall be subject to optional, extraordinary mandatory, and mandatory sinking fund redemption provisions, if any, in the amounts and at the times and prices for which provision is made in the Certificate of Award and in the manner set forth in this Bond Legislation and upon the conditions set forth in the Bond Purchase and Loan Agreement; and (iii) shall be dated as of the date designated in the Certificate of Award. The Bonds shall bear interest, payable on the Interest Payment Dates, from the most recent date to which interest has been paid or duly provided for or, if no interest has been paid or duly provided for, from their dates. The Bonds shall be designated “Warren County Port Authority Development Revenue Bonds, Series 2016 (Warren County Community Services Project)” and, if issued in more than

one series, shall include a series designation. The form of the Bonds may be any form permitted by law, including, without limitation, physical certificates in registered form, book-entry form, and certificates with or without coupons evidencing installments of interest, which may or may not be registered or registrable as to principal.

(b) Interest Rates and Principal Maturities. The Bonds shall bear interest at the annual rate or rates per year, payable on each Interest Payment Date (provided that the Certificate of Award may provide for a delay of not to exceed 24 months in the first Interest Payment Date), and shall mature and be subject to optional, extraordinary mandatory, and mandatory sinking fund redemption, if any, on the dates and in the years and in the principal amounts, all as shall be set forth in the Certificate of Award; provided that no rate of interest therein specified shall exceed six percent (6%) per year, the first payment of principal on Bonds shall be made not later than January 1, 2018 and all Bonds shall have been retired not later than January 1, 2026. In the Certificate of Award, any one of the Chairperson, the Executive, or the Fiscal Officer shall fix the principal amount of the Bonds to be issued of each series if more than one series of Bonds are to be issued, provided that the aggregate principal amount of Bonds shall not exceed \$1,500,000, that will provide the moneys necessary to pay costs of financing the Project and pay the costs of issuance of the Bonds to the extent that those costs will be paid from the Bond proceeds. The Certificate of Award shall fix the maturity or maturities and the optional, extraordinary mandatory, and mandatory sinking fund redemption provisions, if any, of the Bonds so as to provide to the Port Authority the lowest feasible interest cost but within the amount that is reasonably expected to be realized from payments under the Bond Purchase and Loan Agreement. Other terms of the Bonds may be specified in the Certificate of Award or the Bond Purchase and Loan Agreement. All matters determined in the Certificate of Award, as the same may be amended or supplemented, shall be conclusive and binding.

(c) Execution. The Bonds shall be signed by two of the Chairperson, the Executive, and the Fiscal Officer in their official capacities, provided that such signatures may be facsimile, and may bear the corporate seal, or a facsimile thereof, of the Port Authority.

Section 4. Sale of the Bonds. The Bonds are awarded and sold to the Original Purchaser at the purchase price set forth in the Certificate of Award, plus any accrued interest from their date to the date of delivery of and payment therefor. Any fees payable pursuant to the Bond Purchase and Loan Agreement in connection with the issuance and sale of the Bonds shall be paid from the proceeds of the Bonds, which amounts are hereby appropriated for that purpose.

The Chairperson, the Executive, and the Fiscal Officer are each hereby directed to make the necessary arrangements on behalf of the Port Authority to establish the date, location, procedure and conditions for the delivery of the Bonds to the Original Purchaser. Those officers are further directed to take all actions necessary to effect due execution, authentication and delivery of the Bonds under the terms of this Bond Legislation and the Bond Purchase and Loan Agreement.

It is determined by this Legislative Authority that the price for and the terms of the Bonds, and the sale thereof, all as provided in this Bond Legislation and the Bond Purchase and Loan Agreement, are in the best interests of the Port Authority and are in compliance with all

legal requirements.

Section 5. Application of Proceeds of the Bonds. The proceeds of sale of the Bonds are hereby appropriated for the purpose of (i) financing the Project, and (ii) paying costs of issuance of the Bonds. The proceeds of sale of the Bonds shall be allocated and disbursed as set forth in the Certificate of Award and the Bond Purchase and Loan Agreement.

Section 6. Security for the Bonds. As provided in the Bond Purchase and Loan Agreement, the Bonds shall be payable solely from the Pledged Revenues and shall be secured equally and ratably by an assignment of and a lien on the Pledged Revenues and such collateral as may from time to time be assigned; provided, however, that any assignment of or lien on any fund, account, receivables, revenues, money or other intangible property not in the custody of the Bondholder shall be valid and enforceable only to the extent permitted by law. Nothing in the Bond Legislation, the Bonds or the Bond Purchase and Loan Agreement shall constitute a general obligation, debt or bonded indebtedness of the Port Authority; neither the general resources of the Port Authority shall be required to be used, nor the general credit of the Port Authority pledged, for the performance of any duty under this Bond Legislation, the Bonds or the Bond Purchase and Loan Agreement; and further, nothing therein gives the Bondholder, and it does not have, the right to have excises or taxes levied by this Legislative Authority, or by the State or the taxing authority of any other political subdivision, for the payment of principal of, redemption premium, if any, and interest on the Bonds, but the Bonds are payable from the Pledged Revenues as provided herein and in the Bond Purchase and Loan Agreement, and each Bond shall contain a statement to that effect; provided, however, that nothing in this Bond Legislation shall be deemed to prohibit the Port Authority, of its own volition, from using to the extent it is lawfully authorized to do so, any other resources or revenues other than moneys raised by taxation for the fulfillment of any of the terms, conditions or obligations of the Bond Purchase and Loan Agreement, this Bond Legislation or the Bonds.

Section 7. Covenants of Port Authority. The Port Authority, by issuance of the Bonds, covenants and agrees with the Bondholder, that:

(a) Use of Proceeds. The Port Authority will use, or cause to be used, the proceeds of the Bonds to pay costs of financing the Project and to pay costs of issuance of the Bonds.

(b) Segregation of Funds. The Port Authority will segregate, for accounting purposes, the Pledged Revenues from all other revenues and funds of the Port Authority.

(c) Transcript of Proceedings. The Fiscal Officer, or other appropriate officer of the Port Authority, will furnish to the Original Purchaser a true transcript of proceedings, certified by the Fiscal Officer or other officer, of all proceedings had with reference to the issuance of the Bonds together with such information from the Port Authority's records as is necessary to determine the regularity and validity of such issuance.

(d) Further Actions and Delivery of Instruments. The Port Authority will, at any and all times, cause to be done all such further acts and things and cause to be executed and delivered all such further instruments as may be necessary to carry out the purpose of the Bonds and the

Bond Legislation or as may be required by Section 13, Article VIII of the Constitution of the State and will comply with all requirements of law applicable to the Bonds.

(e) Observance and Performance of Agreements and Obligations. The Port Authority will observe and perform all its agreements and obligations provided for by the Bonds, the Bond Purchase and Loan Agreement or this Bond Legislation. All of the obligations under this Bond Legislation and the Bond Purchase and Loan Agreement are hereby established as duties specifically enjoined by law and resulting from an office, trust or station upon the Port Authority within the meaning of Section 2731.01, Ohio Revised Code.

Section 8. Bond Purchase and Loan Agreement. To secure the payment of the Bond Service Charges on the Bonds as the same shall become due and payable and the performance of the Port Authority as provided in this Bond Legislation, the Bonds and the Bond Purchase and Loan Agreement, and to provide for the sale of the Bonds, any one of the Chairperson, the Executive, or the Fiscal Officer is hereby authorized and directed, for and in the name of the Port Authority and on its behalf and as security for the Bonds, to execute and deliver to the Original Purchaser and the Borrower, the Bond Purchase and Loan Agreement, in such form as shall be consistent with the Bond Legislation. The form of the aforesaid document is approved with such changes therein as are not inconsistent with the Bond Legislation and not substantially adverse to the Port Authority and which are permitted by the Act and shall be approved by the officer executing those documents. The approval of such changes, and that such changes are not substantially adverse to the Port Authority, shall be conclusively evidenced by the execution of those documents by those officials.

Section 9. Other Documents. Any one of the Chairperson, the Executive, or the Fiscal Officer is authorized and directed to execute any certifications, financing statements, assignments, agreements and instruments that are necessary or appropriate to perfect the assignments contemplated in the Bond Purchase and Loan Agreement and to consummate the transactions contemplated in the Bond Legislation and in the Bond Purchase and Loan Agreement.

Section 10. Acquisition, Construction, Equipping, Improvement, and Installation of the Project. It is hereby determined by this Legislative Authority that the acquisition, construction, equipping, improvement, and installation of the Project and of any improvements in connection with it, including those paid from the proceeds of the Bonds, shall be undertaken by the Borrower.

Section 11. Severability. Each section of this Bond Legislation and each subdivision or paragraph of any section thereof is hereby declared to be independent and the finding or holding of any section or any subdivision or paragraph of any section thereof to be invalid or void shall not be deemed or held to affect the validity of any other section, subdivision or paragraph of this Bond Legislation.

Section 12. Compliance with Open Meeting Law. It is found and determined that all formal actions of this Legislative Authority concerning and relating to the adoption of this Bond Legislation were taken in an open meeting of this Legislative Authority, and that all deliberations

of this Legislative Authority and of any of its committees that resulted in such formal action, were in meetings open to the public, in compliance with the law.

Section 13. Effective Date. This Bond Legislation shall be in full force and effect upon its adoption.
